Grade Level and Special Area Meetings

For the few weeks, I'd like to meet BRIEFLY with each grade level or special area teachers. I'd like to find out how I can best serve you. I'd be happy to meet with during your planning time, or before or after school. Please e-mail me to set up a time.

Lansdowne: I am able to coordinate some of your meetings with Annette. I am already set up to meet with 3rd, 4th, and 5th grades at the same time Annette meets with you.

Web Sites of the Week:

So many grades study, or at least touch on, the story of Johnny Appleseed. Even if you aren't studying this, the site below has some great center and independent work activities:

Some great resources from Picadome Elementary:

Sites On Dealing With Tragedies:

Lightspan had a collection of resources for assisting students in dealing with the tragedy.

Two sites from the National Association of School Psychologists, which may be of some help today in your school. Children and Responding to National Disaster Information for Children (for educators)
