Staying in Touch

Have you ever wished you could check on your e-mail at home? Have you wondered what's going on at school during the summer? All you need is a computer, an internet connection, and webmail. In fact, you can access your e-mail at:

- ☞ Other classrooms, schools, and locations in FCPS
- ☞ Homes of family and friends who have internet access
- ☞ Cyber cafes located in major cities, airports, hotels, and conferences in the United States and around the world.

A special thanks to Rita Dobson, who shared these directions with her staff. Rita is the STC and technology guru at Harrison Elementary.

To Access Email From Home

By Rita Dobson

STC at Harrison Elementary

Go to www.fcps.net

Click on Webmail(For Staff Only)

In the Login box type your email address (example rdobson@fayette.k12.ky.us) and click on [click here](#).

You will be asked for User Name and Password
Type Fayette/ in front of your user name:
example Fayette/rdobson (sometimes this must be caps, other times it needs to be lower case, just see what works for you)

Password is just your email password

Web Site of the Week:

Greg Drake, Fayette County's Coordinator of Instructional Technology, recently shared PC Teach It with us. This teaching resource focuses on technology integration into the curriculum. They have a magazine, as well as a website. Just click on the URL below:

<http://www.pcteachit.com/>
